Entry Number Card must be attached to right side of boat or held by a crew member during viewing by judge and for official photograph. Parade starts at 7:30 pm.

The boat parade is led by our parade judges, Lake County Sherriff deputies, who are responsible for selecting the winners for the following categories: Best Overall, Most Humorous, Most Patriotic, and Most Original. **During the parade** the judges make their selections, and the parade officials immediately deliver the trophies directly to the winners. Boat parade winners will be posted on BSLA website and at Mel's at the Lake.

SPECIAL NOTE: Some participants do not like their floats being pelted by water filled balloons. Please refrain from using the propelled water bombs, so we can avoid having a small child injured or scared. Thank you and pass this request on to others.
